RE: Closure Plans for IHSSs 206 and 208

Dear Mr. Lockhart,

We are in receipt of your January 13, 1992 letter regarding Closure Plans for IHSSs 206 and 208 (92-DOE-0315). The Division concurs with the EG&G position that the closure requirements in 6 CCR 1007-3, Part 265 will be satisfied by following the IAG. Therefore, the submission of separate closure plans for these units is not necessary. We appreciate your desire to remain in compliance with state and federal laws and regulations.

If you have any questions regarding these matters, please call Joe Schieffelin of my staff at 331-4421.

Sincerely,

Gary W. Baughman
Unit Leader, Hazardous Waste Facilities
Hazardous Materials and Waste Management Division
